The entertainment for the rest of the evening takes two forms; live blues music and Final Four basketball on the big screen (watching only!). The music will be provided by a local blues band.

Blue Bayou
LINDA RONSTADT/
ARRON NEVILLE TRIBUTE

Saturday, March 10, 2018 • 7:30 pm

The March event, Blue Bayou, is a homage to singers Aaron Neville and Linda Ronstadt by two dynamic, seasoned musicians. Singers Dawn Day and Vince Taylor transport both young and old audience members to a simpler time with the lovely duets and songs from yesteryear. I hope to have ticket information at the meeting.

We are honored to have been asked to be part of the ICC Guest Artist Series, through their Community Partners program. The Community Partners program is designed to help get the word out about the work of Peoria-area Organizations. In partnering with the Arts at ICC, they will help heighten awareness of our group, not only through the publicity done for the show, but also by giving us the opportunity to talk and meet with audience members at a Guest Artists Series event.

On April 7th we will once again host one of the American Parkinson's Disease Association Educational Seminars. Last year this turned out to be our biggest event of the year, so you will not want to miss it this year.
