On June 8th a good size group from the Parkinson's Support Group enjoyed a nice evening of Baseball and fireworks with the Peoria Chiefs. While not everything worked out perfectly it was a great night for baseball.

Please mark next month's meeting on your calendar August 3, 2013. Dr. Mark Katchen will be our speaker. Chris Snyder of Medtronic will also be there to talk about DBS.

They are racing again at the Peoria Speedway. A good portion of the Peoria Speedway was destroyed in the flood water of April. However the crews at the Speedway have done a fantastic job of rebuilding it and racing begins again on June 24th so Please Join the Don Bohlander Parkinson's Disease Fundracers at the race track and help out with our 50/50 raffle ticket sales.

Remember we have books on Parkinson's available in our Library.
