Wow, how about that April Meeting. We had over 120 in attendance. Dr. Dronacharya Lamichhane, Cara Kozik MSW, RN, Tammy Lott LOPC., Peoria Councilman Sid Ruckriegel, Ricki Chaidez and a Rock Steady Boxing Demonstration, made for some fantastic presentations. Combine that with that very informative sponsors tables and some good food provide by OSF it made for a great meeting.

Our May program will be on the LSVT treatment program offered by Professional Therapy Services, Inc. BIG & LOUD Therapy Program. A physical therapy program is helping patients with Parkinson's disease to improve function and slow motor, and have a louder Voice.

Congratulations to Brittany Heidemann, MS CCC-SLP and OSF HealthCare Rehabilitation for receiving a SPEAK OUT!® and LOUD Crowd® Grant from the Parkinson Voice Project. This will allow them to offer a very good voice therapy program for those that are struggling with their voice.
